Colorado Group Realty is proud to present the 5th Annual Steamboat Springs Real Estate Roundup & Expo. The event is designed to provide the public with current information regarding the Yampa Valley's dynamic real estate market.

The Housing Industry Expo will include exhibitors of local building and design related trades, developments, lenders, non-profit organizations, residence related goods & services, title companies and much more.

The presentation will begin with our annual update on the local real estate market. Guest Speaker, Pam O'Connor will continue with a nation-wide real estate overview. Pam is the CEO of Leading Real Estate Companies of the World and has been named one of the top 25 thought leaders by the National Association of Realtors, as well as one of the top 100 most influential people in real estate by Inman News. Pam will take questions from the audience at the completion of her presentation.
